## Corporate News

### **Clarifications Concerning Youngtimers AG's Stake in Talenhouse AG**

Basel (Switzerland), April 8, 2022

Youngtimers AG, a Swiss-listed specialist investor in European media and e-commerce space (SIX: YTME) announced by way of a Corporate News on April 5, 2022, that it owns as of that day a 6.61% ownership interest in Talenhouse AG.

Youngtimers AG herewith clarifies that such ownership interest was acquired in the realm of a repo transaction. Talenhouse GmbH, Vienna, Austria, the seller of the shares, has accordingly a call option to purchase the ownership interest back for the same price it was sold, subject to a repo fee.

Although Youngtimers AG was an important pre-IPO investor, and still stands as such, there were other shareholders who held, and still hold, larger shares in Talenhouse GmbH, as also reconfirmed by the disclosure notices published on SIX Swiss Exchange website.

Having said that, Youngtimers AG confirms that it remains open minded for various investment scenarios and that the IPO has been a great positive event for our investment in Talenhouse AG creating liquidity and market valuation for the stock, in Youngtimers AG's view.
