Youngtimers AG, Basel Half-Year Results 2024

(unaudited)

YOUNGTIMERS

30 September 2024

HALF YEAR RESULTS FOR THE SIX MONTHS ENDED 30 JUNE 2024

1. ORGANIZATION, BUSINESS ACTIVITY AND BUSINESS COMBINATION

Youngtimers AG (also, the "Company") is a debt-free Swiss holding company making tactical investments aimed at short term financial income but actively looking for acquisition and consolidation of sizeable targets into its corporate structure with an objective to significantly scale its investment business going forward.

Over the course of 2023 and the first six months of 2024 Youngtimers AG had actively traded its short-term investment portfolio and reviewed several strategic investment opportunities. Anticipating significant increase of its business scale, Youngtimers AG Annual General Meeting held on 29 May 2024 has elected a new Board of Directors and approved a capital increase of up to CHF 5'040'000. At the time of the publication of this report the Company has entered the underwriting agreement and taken the investment into newly issued shares for CHF 4'200'000.

On July 15, 2024 the Company's board decided to acquire 100% ownership interest in C Capital Acquisition Corp and transform itself into Asia-Pacific (APAC)-focused asset manager and principal investment firm. At the time of the publication of this report this transaction is ongoing and expected to close this year on schedule.

With no subsidiaries and no operating business as of 30 June 2024, Youngtimers AG maintains a lean and unlevered corporate structure.

2. NET RESULT

The Company reports an operating revenue of CHF 39'892 with a net loss of CHF 1'441'699 in the first six months of 2024, compared to zero operating revenue and a profit of CHF 250'229 for the same period in 2023. This net loss is almost entirely attributed to unrealized capital loss on the Company's investment in shares of Gremi Media SA, Warsaw-listed Polish media company.

The Company is publishing its interim financial statements for 2024 on a standalone basis in accordance with Swiss GAAP RPC 31 (Company has no subsidiaries as of 31 December 2023 and as of June 30, 2024).

3. OUTLOOK SECOND HALF-YEAR 2024

The Company's financial performance in the second half of 2024 is very likely going to be significantly affected by acquisition and consolidation of 100% ownership interest in C Capital Acquisition Corp, the exact completion date of this transaction has not yet been determined by the Company but with a high degree of certainty will occur in the calendar Q4 2024.

Upon completion of the purchase of C Capital Acquisition Corp, Youngtimers AG will refocus its investment strategy on the APAC asset management business, and in that context the Company is already undertaking efforts to exit from the legacy tactical investments in European listed companies, aiming to complete such exits at optimal financial terms at the time of the Company's choosing.
